

# Xerox Loyalty Rebate Program

Save up to 75 % on a new Xerox® color printer.

The more you print, the more you save on the purchase of a new Xerox® color printer.

## Rewards for Our Valued Customers

As a valued Xerox customer, you automatically qualify for a 10 % rebate on any new Xerox® printer. If you own a Xerox® color printer you can save more—50 % or even 75 %—on a new color printer. The rebate amount is based on the number of pages you've printed on your current Xerox® color printer. It's our way of thanking you for being a Xerox customer.

## To find out which rebate you're eligible to receive:

1. Print a start-up/configuration page\* from your Xerox® color printer to determine your total pages printed.
2. Visit [xerox.com/office/thanks](http://xerox.com/office/thanks) to find the rebate amount for your product.
3. After you've purchased your new Xerox® color printer, follow the steps shown on the website to claim your rebate.
