

Xerox® Product Compatibility

Apple® OS X® El Capitan

Xerox offers a wide variety of print drivers for the newest operating system from Apple—OS X El Capitan. The following table lists various Xerox® products and information regarding the Xerox driver compatibility and availability. The table refers to a compatibility level for each product. This table will be updated periodically as Xerox releases new 10.11-compatible device drivers.

To access drivers for your products, visit www.xerox.com/drivers, enter the name of your product and select the Drivers and Downloads link from the resulting page.

Additional Resources

For more information about OS X El Capitan, go to <http://www.apple.com/support/osx/>.

Compatibility Levels

Compatibility Level	Description
1	Drivers for OS X El Capitan are available and can be downloaded from www.xerox.com/drivers .
2	This product does not have support for OS X El Capitan.
3	Delivery of updated drivers for OS X El Capitan is planned for this product. Please continue to visit www.xerox.com/drivers for updates regarding our driver delivery plans.
4	Drivers developed for previous Apple OS versions may be compatible. See Additional Information section for your specific device.
